EI Committee,

Big thanks to all who attended last evening's meeting. I appreciated the way we unified around a single strategy to move forward.

We concluded that, by Friday August 13, those who have work product resulting from their committee efforts will compile a "finding of fact" report that summarizes what each member has accomplished or learned. Please limit your reports to facts: information that you have observed or measured. Please send your reports to me via email to this address by 8/13 at 5PM.

Once I receive our committee's work product, I will compile a single report that I will present to our Wake GOP Chair, Alan Swain and our 1st Vice Chair, Mark Cavaliero. This unified report will also be available to committee members. Chairman Swain, Vice-Chair Cavaliero, and I will then present our committee's findings to members of the General Assembly and members of the NCGOP.

Upon the completion of this summary report, the EI Committee's initial mission will have been achieved and the committee, **as it is now configured, will end.** I will consult with Chairman Swain and Vice-Chair Cavaliero regarding how and if we will reconfigure and restart the EI Committee and what its revised mission would be. If we elect to reconfigure and restart the committee, members will have the opportunity to complete a process to re-up their committee membership.

I thank you all for your excellent work on behalf of election integrity and the people of our great state. It has been a joy to work with each of you.

Kind regards,

Chad Slotta, DMin, MBA, MSM
